# Class Descriptions

## Go Classes

<b>Monday Art Class:</b> A general mixed-media art class to explore mediums, techniques, and creativity!
<b>Steel Drum Exploration:</b> A beginner class to learn all about the Steel Pan instrument. Students who progress may wish to consider auditioning for Infinity's "Collective Groove" Steel Drum ensemble.
<b>Dylan's Vocal &amp; Dance Ensemble:</b> An Infinity student vocal ensemble with components of choreographed movement.
<b>INSTILL Leadership Class:</b> A discussion-based class designed for creative, deep-thinkers who want to challenge themselves, explore life topics, and develop leadership skills through self-advocacy and empowerment.
<b>Beginning Music Theory:</b> Learn the building blocks to the language of music.
<b>Advanced Music Theory:</b> The next step in learning the language of music.
<b>Movin' &amp; Groovin':</b> A beginner-level dance class to explore basic steps, improve flexibility and coordination, learn dance terminology, and explore students' creativity with age-appropriate, imaginative music and games.
<b>Lauren's Vocal Ensemble:</b> An Infinity student vocal ensemble for beginning singers.
<b>LET'S DANCE:</b> A beginner-level dance class to explore a variety of dance styles and techniques, improve flexibility and coordination, learn dance terminology, and explore the world of dance.
<b>Barre &amp; Exploration:</b> An intermediate-level dance class to explore a variety of ballet and other dance style techniques, improve flexibility and coordination, and develop advanced techniques.
<b>Performance Workshop:</b> A class for performance-level students, and students who want to attain performance-level. Practice performance techniques, performance pieces, learn about stage equipment, audience-interaction, and collaborate with other performers. *Note: Students for new ensembles, performance opportunities, and advanced opportunities will be chosen from this class.
<b>Video Crew:</b> Explore creative marketing ideas and video techniques to create finished projects that will be released publicly. Students will actively develop ideas that they will then direct, record, and edit.
<b>Seasonal Art:</b> A general mixed-media art class to explore mediums, techniques, and creativity and create projects based on the seasons and holidays.

## Focus Classes

<b>Sewing Class:</b> Learn the basics of sewing to create small, quick projects that highlight beginner techniques.
<b>Intermediate Art:</b> This class is for serious art-students who want to challenge themselves, learn new techniques, and investigate higher-level techniques.
<b>Lyrical/Modern Combo:</b> An intermediate-level dance class to explore lyrical and modern techniques, improve flexibility and coordination, and develop progressive dance techniques.

## Audition Classes

<b>Musical Theater Project:</b> An Infinity student theater ensemble for performance-level musical theater students.
<b>Collective Groove:</b> An Infinity student music ensemble for performance-level students which features Infinity's Steel Drums.
<b>Advanced Art:</b> An audition-based class for advanced art students who are able to work independently on a project for an extended period of time to create high-quality, show-ready pieces.
<b>K 2 Beatz:</b> An Infinity student music ensemble for performance-level students.

## Workshops

<b>Live Looping Pedal Workshop:</b> Explore the fun, variety, and process of laying down layer after layer of sound in real time with live looping.
<b>HIP-HOP Dance Workshop:</b> Explore Hip Hop Dance moves with visiting artist Brea Total!
